- Snowflake Shop

- The Turkey Trot was a huge success!
 - We had such amazing donations from parents, teachers and organizations. The teachers, volunteers, and everyone in attendance were so helpful and we had over 100 registered runners and more that showed up the day of.
- Playground Survey Results
 - There were 104 responses to the survey, most were Greenfield School families and while families can see reasons to construct a playspace, there are also concerns, most concerns relate to funding and planning. Next Steps include fundraising and planning to begin with Marianne as the lead between PTO and GCA. Parents are welcome to be a part of the committee by contacting the PTO
 - One big question about the age range the playspace would be geared toward is still unanswered.

- School Update – Mr. Rosenthal/Dr. George
 - We currently have 344 students enrolled which is down about 50 students from last year with Kindergarten and ESL both having taken major hits this year

regarding enrolment. Transportation was also a big issue this year. We still need to get approval still for all in person programs by the district and all calendar requests need to be in 2 weeks prior to the new month.

- Gator Shop Update – K-5 had the Gator Cart visit already and loved it. The Extravaganza is coming 12/22 and Gator Clubs will be 12/21 for 1.5 hours at the end of the day.
- Volunteers will now need clearances and Covid vaccination on record..
- Dr. George is looking to focus on children and teacher wellness (mental) into the Springtime with more information to come.
- Parking lot issue still needs major attention and may possibly require bringing in Zone 4 police officers.
