

Read-a-thon 2022

Welcome to the 3rd Annual Read-a-thon!

We are so excited to bring back the Read-a-thon for another year. From March 13 to 26, we are challenging all students to read at least 30 minutes a day to help raise money for the PTO. Students can ask friends and family to cheer them on by making pledges. Directions on how to participate are listed below.

Step 1: Sign-up to be a Super Reader at <https://go.rallyup.com/gfreadathon/>

Step 2: Get reading! Log your minutes each day (see log sheet on back of flyer), and at the end of the week log your minutes at <https://www.greenfieldpto.com/readathon>

Every student that signs up to be a Super Reader will earn extra Gator Bucks for the Spring Extravaganza. The grade that reads the most each week will win an Italian Ice Party during Intervention. The top 3 readers in each grade will win prizes listed below, plus a Greenfield School T-shirt and Gator Gear.

First Place: \$25 to spend at the Scholastic Book Fair

Second Place: \$10 to spend at the Scholastic Book Fair

Third Place: \$5 to spend at the Scholastic Book Fair

Try to shoot for at least 30 minutes each day.

Parents: Reading to your child also counts towards their minutes! Also, students do not have to raise money to be considered for a top reader award, they just need to log their minutes to be considered.

Step 3: Share your Rally Up page with friends and family. Ask them to help cheer you on and make a pledge to the school. Every pledge helps the PTO fund events and more at school.

Step 4: At the end of the Read-A-Thon, log the HOURS (not minutes) you spent reading on your Rally Up page.
